

within two business days after the personal copying project is completed.

(4) NARA will not be responsible for any personal equipment or consumable supplies.

(5) Each operator must obtain a valid researcher identification card and be trained by NARA staff on the proper methods for handling and copying archival documents.

(6) Operators must abide by all regulations on copying stated in paragraphs (c), (d) and (f) of this section.

(7) NARA reserves the right to discontinue the privilege of using a personal copier at any time without notice. Conditions under which NARA would discontinue the privilege include: violation of one of the conditions in paragraphs (c), (d), (e), or (f) of this section; a need to provide space for a Federal agency; or a lack of NARA staff to supervise the area.

(f) *Cancellation of security classification markings.*

(1) Security classification markings (RESTRICTED, CONFIDENTIAL, SECRET, TOP SECRET, and others) on declassified records must be properly canceled before documents are copied. Only a NARA staff member can cancel security markings. Properly declassified documents will bear the declassification authority.

(2) Researchers may not remove from the research room copies of documents bearing uncanceled classification markings. Copies of documents with uncanceled markings will be confiscated.

(3) When individual documents are being copied, the research room staff will cancel the classification markings on each page and will place the declassification authority on the first page of each document. If the researcher is copying only selected pages from a document, the researcher must make a copy of the first page bearing the declassification authority and attach that page to any subsequent page(s) copied from the document. This declassification authority must be presented to the guard when copies of documents are removed from the research room and/or the building.

(4) Researchers using the reserved copiers are provided with a declassification strip which is attached to

the copier. The strip, which is reproduced on each page copied, cancels the security markings.

(g) *Purchasing debit cards for copiers.* Researchers may use cash to purchase a debit card from a vending machine during the hours that self-service copiers are in operation. Additionally, debit cards may be purchased with cash, check, money order, credit card, or funds from an active deposit account from the Cashier's Office located in room G-1 of the National Archives Building, and the researcher lobby of the College Park facility, during posted hours. The debit card will, when inserted into the copier, enable the user to make copies, for the appropriate fee, up to the value on the debit card. Researchers may add value to the debit card by using the vending machine. No refunds will be made. The fee for self-service copiers is found in §1258.12 of this chapter.

(b) Persons or organizations wishing to microfilm Federal agency records in the physical custody of the Washington National Records Center (WNRC) contact the director, WNRC, about procedures for obtaining permission from the originating agency to film those records. For information about procedures for obtaining permission from the originating agency to film records in the records center operation of one of NARA's regional records services facilities or in the physical custody of the National Personnel Records Center (NPRC), contact the Regional Administrator of the region in which the records are located, or the director, NPRC, for records in NPRC.
